Dear Prospective Firearms Student,

The Initial Firearms Permit class for Security Guards is a two-day class. The first day is a full day of classroom instruction. The class location will be determined prior to class. **NO FIREARMS ARE ALLOWED IN THE CLASSROOM.** You must bring a certified copy of your birth certificate or immigration documents or you may bring a DD214 if you are former military. You must also bring your driver's license or photo ID, and your guard card if you already have it. The fee for this two-day class is \$150 **if you pre-register and pre-pay** two weeks prior to the first day of class. Regular price is \$175.

The second day of class will be held at 5 Dogs Range. Maps to 5 Dogs Range will be available at day one class. On Sunday you will need your firearm, either 2 speed loaders or two extra magazines, whichever applies. You will also need a holster and belt and 100 rounds of ammunition for your firearm. If you need to borrow one of our firearms you will need \$30-\$40 to purchase ammunition from the range. We will provide the holster and extra magazines or speed loaders if we loan you a firearm. You will still need to wear a belt.

Once you complete class you will have additional fees before you can get your firearms permit. The state application fee is \$80 and the livescan fee including the firearms eligibility fee is \$94 plus a \$10-\$18 fee for the livescan facility.

We appreciate your interest and hope we are able to serve you.

We hope you are ready for this challenge and we want to insure you are entering this class legally, professionally and with the minimum level of competence necessary to complete the firearms class.
